FROM THE PRESIDENT

Its great to see families involved in trials in Cornwall, Such as Iris and Ronnie Richards and their parents along with Phil and Jack Roberts. Both families helping to set out events and help clear up afterwards.

With MX and Enduro Costs rising its good to see trials numbers on the up. Hopefully CVMCC can get back into the Forests but land to run H&H events is still needed to keep these events in Cornwall.

Lots of Centre members have competed all over the country and done Kernow Proud. Well done to all.

Good friendships are made in our sport that last a life time.

Melroy Youlton.
